

HAROON KASOR

Bangkok, Thailand | mprgame02@gmail.com | 062-496-9217 | github.com/HaroonKasor

PROFESSIONAL SUMMARY

Front-End Developer with experience building responsive web applications, internal dashboards, and learning platforms. Skilled in translating UX/UI handoff into production-ready interfaces, improving usability, and developing clean, maintainable front-end systems. Comfortable working with modern web technologies and collaborating with design and back-end teams to deliver practical, user-friendly solutions.

WORK EXPERIENCE

Jr. Front-End Developer

Learn Tech, Bangkok, Thailand

August 2024 – Present

- Develop front-end features for the company's Learning Management System product.
- Build responsive interfaces from UX/UI handoff and improve usability across multiple pages and workflows.
- Support bug fixing, front-end maintenance, and occasional database-related tasks.

Final Year Project - GoSkillUp LMS Platform

Ramkhamhaeng University, Bangkok, Thailand

2026

- Designed and developed a capstone Learning Management System for learners and administrators.
- Built features for course management, enrollment workflows, quizzes, certificates, and reporting.
- Used Next.js, React, Tailwind CSS, Prisma, to deliver a full-featured academic project.
